“ *I'll always remember cradling him as a newborn baby. As a toddler running down the street to hug and kiss me when I got home from school. A teenager with so many jokes. A man with so much hope. The good things are etched on my heart.*

He is missed, and loved always.

“ *I'll always remember holding him and looking into his face as a newborn baby. As a toddler running down the street to hug and kiss when I got home from school. As a teenager with so many funny jokes. As a man with so much hope. The good things are etched on my heart, so I'll laugh and smile and cry knowing all is well with him.*

He is missed and loved always.
