“ Hey Que!!! I bet you would remember that lol.... Just sitting here thinking about you. Before I received the news, I believe I saw you in my dream. You had on a white suit with a blue handkerchief. You were sitting in a corner and I asked... why are you dressed like that? Did you just come from a wedding. .. you just shook your head no hours later, we received the call 😞.... I believe you came to see us before you went home to be with God As parents, we never imagined our babies leaving earth before us! My heart aches for Sharon, Miss Virginia, Robert and all others who played a parental role in your life. I remember meeting you when you were a lil guy. You were about 5 years old with braids and chubby cheeks LOL! (Your baby sister is your twin!) We seemed to bond over a fondness of music. Both you and I knew every song that came on the radio lol. You were always real and a free spirit. Even my family and friends looked forward to seeing you. Especially Tank and Terrence... Wow Quain! I know you made it to heaven and I am at peace with the fact of us seeing you again in glory. Hug grandma Bert for me! I love you man! I know you are our guardian angel 😊
