“ *Lois and family, I just wanted you to know how sorry I am to hear about the death of your son. I know from personal experience that we never seem to understand why the Lord does what He does, and that life seems so unfair at times. I do know that in order for us to move on we must accept God's will, because God is the author and the finisher of our faith. Thru Him all things are possible. Just like He placed this burden on your shoulders, He's the same God that can lift it off your shoulders.*

“ *Peace, I leave with you, My Peace I give unto you;Not as the world giveth, Let Not your heart be troubled, neither let it be afraid.But I would not have you to be ignorant, brethren, concerning them which are asleep, that ye sorrow not, even as others which have no hope. For We believe that Jesus Died and rose again, even so them also which sleep in the lord will God bring with him.*

“ Weeping may endure for a night, But Joy cometh in the morning. Although it may seem hard to keep your head up, just realize the relationship you had with Dean was spiritual not physical, we know that he will forever live spiritually. Trust in the Lord with ALL your heart, don't lean to your own understanding because you will fail, so believe God in the power of his might. Know that the Holy Spirit is right by your side to carry through.

“ I'm sorry to hear about your loss. I hope that the people who think it's Cool or think that they are achieving something by claim "Merrill Hood" or any other hood a place that doesn't belong to You, will stop selling drugs, stop killing each other, and try to better themselves by leaving Flint and finding better opportunities.

There is a way out of the struggle and it doesn't have to be by death. Pee Wee actually had an issue with a family member of mine and it resulted in violence on both ends and for what?? For your Hood???

People in the streets of Flint need to get their minds right, educate themselves and free themselves from their Ghetto & ignorant ways of thinking.

There are other ways to get money, move out of michigan and get a Job!!! What are you scared to leave??? Oh I know you're scared you're going to miss the news to find out who got shot last night.

Get real, get a life, and get out of flint
