“ *Hey Nephew. I miss you already. The good thing is so much love for you has been shown. I will miss your loud mouth and joyful nature. Your humor and that laugh you had was contagious. I CAN say you enjoyed your life and stood firm on staying around til you couldn't fight no more. It's not the same around here and it's only been 8 days. That last hug with the squeeze will last me til we meet again. See you on the other side. Love you Dueces*
