“ *Deaundric this is hard for me to say goodbye. You are in a better place. I miss you little brother. We always had a good relationship and you knew how to always make me laugh. I still cannot believe that i am writing a trubute to a person whom I was so close to. I watched you grow from a young teen to a grown man. You always had a good head on your shoulders and you always wanted something out of life. I am truly saddened and hurt by your death. I know that God has a purpose for you in his kingdom. We all have to go this death route one day. I love you and I will keep Mia and Kia in my prayers because I know that this is a difficult time them. I know that everything will be alright and God mends the broken hearted. You will truly be missed brother. R.I.H. You are gone but never forgotten.*
