“ Debra was a passionate women of great faith. Like Deborah in the book of Judges, this Debra was a mighty warrior. We are saddened that this comrade was taken out of the battle so soon, but we believe that she is still fighting with us and for us from a better place, the Kingdom of God, where she is a permanent citizen serving the King of Kings and Lord of Lords whom she loves and who loves her with a never ending love. Debra, we will miss you!

“ Debra was the big sister I never had. There are no words to explain our relationship. I searched for information about her arrangements and found it at 6am on monday am. I am unable to attend. I loved her deeply and she knows that even now. Her spirit is with the God she truly knew and loved and I know she is at peace. Her physical presence will be missed but her words of wisdom, guidance , unshakable strength , courage , comfort and love will be with me forever. Thank you for sharing her with me. S. Drewery
