“ My sincere condolences to the Holmes family. My heart is saddened of this great loss. You were such a special woman of God. You named me DH-1 and yourself DH-2 and that's how we greeted each other in person and on the phone because we had the same name. I can smile because I know you and my big sis Arterberry are glorifying God together! Rest in heaven my sister.

Today I salute you Deborah Ann Holmes, from Deborah Ann Hardy.
