“ *Deborah was a very nice lady. She always greeted me and my grandchildren with a hug. She was always trying to give the children treats. She loved cooking and talking on the phone. I don't regret meeting and getting to know Deborah. My grandchildren and I will truly miss her. RIP my friend!*

“ *Wow didn't know when you gave that cake it would be the last time I would see. Such a precious misunderstood soul you were. Deborah had such a good spirit about her she would give anybody who was in need the shirt of her back. I will miss her waiting for me to drive up and have a half an hour conversation with her. You are at peace now Deborah the noisy neighbor can't disturb you anymore. I will definitely miss your fighting spirit.*

“ *We are truly sorry to hear of your loss. Our condolences go out to you and your family. Often during difficult times people turn to the scriptures. Two verses that come to mind are Acts 24:15 and Revelations 21:3,4. I hope that these verses are comforting to you.*
