“ Deborah, your body is the only body that Moon had on this day. What a special day to lay in the arms of the Lord. You can certainly rest in peace. The ceremony was beautiful and widely attended. His Grace got us through and I know you are shining down on us. We thank the Lord for creating you and sharing you with us for 65 years. Your memory will live on. RIH Deb 🙏🙏

“ God put you on earth for a purpose and that was to make sure everyone that you knew felt loved and were happy. No matter where you were you would always take time and call me, and you never missed a birthday. I'm going to miss you so much. You made life an adventure and enjoyed every minute of it. Never will there be another person like you with your kind spirit and your love for children. You taught us that no matter how busy we are to always make sure to visit the people that we love. God sent us a beautiful kind spirited loving angel and now he needs her back. Job well done Deborah you touched everyone you loved. Love always until we meet again.

“ *Deborah God makes no mistakes. I am going to miss you from the moon and back. None of us know the time nor the hour, we just have to be ready. I am so glad you were ready. Family, Deb gave her all to each of us, her memory and laugh will forever be etched in our hearts, let's allow the peace and comfort of God continue to do the rest. For weeping may endure for a night but JOY will come in the morning. RIH Deb*
