“ *Elder Lester. It's been 2 years since you've left the planet and I'm still heartbroken to know that your sweet, kind, loving, God-fearing presence is no longer here on earth. I do know that you were an example of Christian love, obedience and God's favor the entire time you were in Lansing. I'm thankful to God Almighty that our paths crossed and that our God allowed you into my life when He did. You've earned your crown. Enjoy his presence and thanks for everything.*

“ *Elder Debra, your kind face and sweet welcoming spirit is what I remember when I joined Ebenezer BC here in Lansing. Your dedication to Christ as a servant was evident in the way sang, ministered the Word, and nurtured your children and grands. It is shocking to realize you are no longer on the planet, yet I know that being absent from the body means you are present with the Lord. Rest well, Elder Debra. Your years of labor were not in vain. Thank you for taking care of all of us. You will be missed.*

“ Sharon Lane and the Lane family in Lansing MI, lit a candle for Deborah Lester. Our hearts go out to the entire family and friends. Deborah you will be truly missed by so many people. You were an inspiration to me in Lansing MI. I remember when we shared a room together at a Women's Conference in Rockford, IL. We had so much fun together. It was at that time that I realized you had a heart of gold. Well done good and faithful servant on earth.

“ I remember working in the church office with her and she would call me and ask me Dee how do I look and she would ask me to go get her a large Diet Coke with lots and lots of ice. We would laugh and talk and she would always tell me not to give up writing my book she said she couldn't wait to read it. I will miss her dearly and I will finish my book.

“ As I ponder which story to share about this beautiful woman of God, my coming into the church office to inquire about a job opening stands out vividly. She explained what the job entailed, I then told her I was mistaken. I didn't have experience for that job, that I thought it was an extension of her job. I then left without any intension to apply. Deborah called me a couple of days later and said she was expecting me to turn in my resume, and that I should apply anyway. I did and I'm still working for the Lord on that same assignment.

She had that special gift to reach people where they are, freely helping them to advance to where they're going. Her compassion and love was infectious. She was a rare find and a precious sister in Christ.

“ *I happen to had the privilege of getting to know Debra at a former job I worked at. She came in often, we'd share a hug, a few laughs, and meaningful conversations. She was a beautiful woman of God and had a heart of gold. One day she came in stressed and overwhelmed. I gave her a hug, we talked, cried, and prayed together. It didn't matter who was standing around as we knew through God all things were possible to work out in our favor, regardless of what trials and tribulations we may go through. Having God within we will always stand stronger she always used to say to me before leaving.*

As Debra is now with our loving God may we always remember what she stood for, to show compassion to others, be loving to everyone, help someone smile and lift them up when they are down and need some uplifting. That indeed was Debra. I will miss her jokes, laughter, kind soul, good spirit, and most all her smile. Rest now dear friend as we will meet again one day in everlasting happiness. God has you now and we always lovingly remember you.

Much love to the family and friends of our angel in heaven, Mrs. Debra Ann Lester.

“ *As I was directing the mass choir at Macedonia, I could feel my under slip sliding down! I was making all kinds of faces trying to "discretely" pull it back up with one hand and direct with the other. It finally fell to the floor! I looked over at Debra who was standing across the platform with the other elders and pointed down at my feet. When the song was over, Bishop and Elder Debra came to my rescue! Bishop stood directly in front of me blocking the view from the audience while Elder Debra bent down, as I balanced myself on her shoulder, and helped me step the rest of the way out of my slip. Oh yes, those of us who knew what was happening got a big LAUGH out of it but, Debra asked me ever so sweetly and full of concern, "are you ok, it gonna be alright." Always one to help out or just offer a word of encouragement or share in a laugh! My sister, this news broke our hearts. You will be missed. Our thoughts and prayers are with Debra's family, friends and Church of the Harvest International.*

Elder Lester's infectious personality made it easy for her to share her love to everyone she came in contact with. Although I've known her for only 8 years it seemed like a lifetime. We the members of Church of the Harvest International will miss you Debra and appreciate that God allowed you to share your love with us.
