“ I met Debra as a new cousin, and I also met the rest of the family over some 30 years ago in Chester, SC at a family reunion. I didn't keep in close contact with her during those years. I did have the occasion to speak with her a year ago and she did remember me.

I would like to express my condolences to the family.

“ *Rudy my brother, my heart is heavy with the passing of Debra. She and I had been friends since we were 5 or 6 years old. I remember all the good times we had spending the night at each other house, playing and Nelson Chapel days. She was my maid of honor and my daughter's godmother. She was more than a friend, she was and will always be my sister. We loved her but God loved her more. In these times you must rely on Jesus to get through the days a head. She will forever be in my heart. Trust a God my brother. Love Betty.*

“ To the Ridley Family:

I was sorry to hear about the passing of your loved ones. Death is liken to a thief that comes and takes away our loved one. Or due to old age and sickness we lose that precious quality of life that leads to death.

Many wonder why we grow old and die. Romans 5:12 answers that question. It says that because of Adam sinning his punishment was death and sin and death was passed on to us all. However, our loving God, Jehovah (1John 4:8) made a way out for all of us by sacrificing his only son (John 3:16). God promised us we will see our loved ones again (1John 5:28,29). For more information go to www.jw.org and you can find answers to any question you may have.

*Yours truly,
Patricia*

“ *I would like to express my deepest sympathy to your family during the loss of your dear loved one. I would like to share a scripture for encouragement during this difficult time. Rev 21:4 say how Jehovah will wipe out tears from our eyes and death will be no more. I sincerely hope your family find comfort in that hope from the bible.*
