“ *Words can not express the pain we all feel in the lost of a loved one, but we know that pain will be temporary because we know that Jehovah will empty the memorial tombs so that we will be reunited again. We are here though in Saginaw to help if we can*

“ *To Tony, Sis Bryant and the rest of the family, please except my sincere condolences for the loss of our dear brother. We know we have the support of our loving heavenly father, Jehovah God and we know as according to 2 Cor 1:4, he is the " God of all comfort who comforts us in all our tribulation". You will continue to be in my heart and prayers and we will look forward together to seeing our love ones in the paradise earth.*
