“ *I would like to offer my condolences to the family of Mrs. Delilah Baker. I never met Mrs. Baker but I'm sure she was a special person. I would also like to share a scripture with the family that has brought me great comfort in my time of loss. It is from John 5:28. Jesus states that one day our love ones will return. We will have a chance to see them again. He states:"All those in the memorial tombs will hear my voice and come out"*

*This scripture has brought me much comfort and peace. I hope it does for you too.*

*Again, please accept my condolences.*

“ *We are sorry to hear of the loss of your loved one. Our condolences go out to you and your family. Often during these difficult times people turn to the bible, two scriptures that come to mind are Revelations 21:3,4 and Acts 24:15. I hope that these scriptures are comforting to you.*
