“ Lois, you was the joy of my heart the love of my spirit, the soul that live within and the love that will never die. Life is beautiful, precious and unique but at the same time it's gone in a flash of a light. Lois, was kind sweet and full of life she love her family, and always had an encouraging word to lift your spirit. A smile on her face that made your day, even when she were sick she brighten your day. To my family don't give up because Lois fought to the end she had more courage to accept the things that she cannot change. And the Wisdom to know the difference. God have pick a beautiful flower to add to his garden. Lois, you have earn your wings, sleeping peaceful in Jesus arms. I am not their in person, but my Spirit are with you always.

“ "D" (Lois) and I grew up together attending the same elementary school, junior high and high school. Lois Always had a heart of gold and would share a kind word of encouragement, laughter and friendship. I always would tell her she had the best dimples I had ever seen and we laughed and joked, quite often on Facebook, it was always so good catching up.

To the entire Family, just know that we will be covering you in much prayer for strength and encouragement I. This most difficult time, but as you know "D" was a child of God and is in his care now, so this is not goodbye, just see you on the other side, to God be the glory. We thank you Lord for giving us the gift of Lois.
