“ Good memories come to mind when I think of my Aunt Delores. I'll never forget you teaching me different arts and crafts, after my MS diagnosis. You were a great support system during that time, that I didn't know I needed. You helped me, because what you taught me gave me good stress relieving coping skills. You were always a patient, loving Aunt and teacher. When ever I called you, in my times of needing someone to talk to, you were always open to talk, never to busy. My heart aches, but I also rejoice in that you are home now. You are in great place. My you, Rest in Peace. Love, Kathy Woodward (niece)
