“ Unbelievable, that Demarcus," Little Demarcus," has went to paradise. Where did the time go. Demarcus was of good character a special kind of young man whom mostly hung around older guys. Yet no matter the characters he hung around, he was accepted, respected, and one of the coolest guys you wanted to be around. NO ONE. I MEAN ,NO ONE CAN SAY ONE BAD THING ABOUT DEMARCUS. I'm just saddened all these years went by and I never got a chance to tell him, how I much he meant to me. DEMARCUS I RESPECTED YOU TO THE FULLEST!

“ Growing up you was always one of the funniest in the family, no matter what, you would make people laugh. I started liking dogs because you always had dogs. I started loving music cause you and my mom always had all the tapes and CDs you had all them speakers in that lil car lol. Remember we drove and stayed in Cali with uncle Jeff I'm sure that's some of the best times of your life just like mines. I'll always remember the time we had together out there. Gone miss you cuz, give Sang a hug and kiss for me

“ *From the day you were born I was there and I tried my best to be there through out your entire life especially when you needed me most. You were more then a cousin to me, you were the little brother I never had. I'm absolutely devastated that you are no longer here anymore. But I know you were tired and I know God got you. I'm going to miss you so much, I pray that I did what your mom (Honey) always told Jeff & I to do even at a young age and that was to take care of you. And I take comfort in knowing that the things I did for you eased some of the pain you were enduring. Fly high little brother I love You*
