“ *I just want to say that you always made me smile. Even when we were having a bad day at work. I am also glad that we were recently able to reconnect of facebook. We may think that you are gone too soon, but God has His reasons...and I try not to question him even when it hurts. You will be missed but never forgotten.*

“ To the family of Demris D. Lee, my heart goes out to you and you will be in my prayers.

To Demris: We've been through alot together my friend, and you are gone way too soon. We were suppost to be best-friends until we grew old. Now, that part of my life will not be there. And no one will ever be able to fill your shoes. As I sit here in Atlanta and type this message, I cry. I cry, because I cannot be there to see you away. I cry, because I will miss all the fun times we had together. I cry, because you always knew how to make me laugh, no matter what. And I cry, because I know I will not have that anymore. But when I get done crying today, I promise you, it will be the last time, because I know deep down inside that you are in a much better place. And I also know that if I ever need you, all I have to do is call and you'll be right there. That puts a smile back on my face. Demris D. Lee (Dee-Dee), I will miss you so so much, and I will never ever forget you. Until we meet again my friend. R.I.P.

“ Rest in Peace Dee Dee. My sister just told me she got re-connected with you in the past 2 - 3 months, and I was looking forward to seeing you when you came back home. Did not think you would return like this. Will remember the funtimes we had in the old neighborhood on Wisner. Now, you and Mike are together, and that's the only solace we have. Much love to your mother, Kim, and also to Carlos.

“ Ms. Kim,

I am so very grateful that Demris had a mother such as you. Regardless of what was going on he always stood tall with a smile that only he could give. I never thought in a million years when I seen him last (this summer) it would be my last time.

I hurt because We have give him back, but I rejoice in knowing that he is in a better place. I rejoice because I didn't wait until now to tell him I loved him, I told him every chance I could.

*I miss and Love you very much Dee Dee!
