“ I just learned of the passing of Denise. She was a student in my class when she attended the seminary. She and Joel married in my home. I spent so much time with them both. I am so very sorry I did not know about the services in time to share with her family. I pray God's comfort for each of you.

“ Denise and I were friends in high school, we journeyed down different paths but we never forgot our friendship when we had the opportunity to reconnect for a moment some 20 years later. She was a living testament of God's grace and mercy. I often thought of her. My prayers and condolences to the family members in your time of bereavement. God bless
