“ There are special people in our lives who never leave us. Dennis, you were like the big bro I never had. Alicia, you've been a lil sister since Avon days. I want you to know how much Dennis loved you. I know you would shake your head, probably laughed at what he will tell me when we would get on the phone. His advise was always based on truth. I will miss you Brother. Alicia, you know I'm here for you.
