“ I am so sorry for your loss. I am comforted by a scripture at Psalm 55:22, it assures us that if we throw our burden on God he will sustain us. I hope this comforts you also.

“ I really wish I could be home right now this is really hard...

There's No sadness Jesus Can't feel, there is no sorrow the He can not heal for all things work according to the Master's Holy will. No matter what you're going through remember that God is only using you For this battle is not yours. It's the Lord's

G'dad know that I love you and as soon as the doctors release me to come home, I'm going to be on the first thing traveling that way.
