“ *Hello,*

My name is Pamela Traeye. I just wanted to take this time to send my condolences to the family. I too have lost a loved one in my lifetime. Did you know that the bible makes it clear that God did not originally intend for humans to die? (Gen 1:28) The bible also tells us that God has the power to bring the dead back to life and that he will do just that!! Isaiah 26: 19 states, ?Your dead ones will live... They will rise up". Jesus further reminds us at John 5: 28,29 " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." If you would like to find out more about God and his promise of the resurrection, please come visit the Kingdom Hall of Jehovah's Witnesses at 7184 Davison Rd Davison, Michigan 48423 or contact me at my email address pamelatraeye@hotmail.com.

“ Denton was my friend from way back when we were little. He was a funny and fun person to be around and we were silly together. Although times past and we lost touch with one another when we would run into each other we were back silly again. I ended up moving into the house he grew up in with his Granny and he would always say Sheka when you gone let me come over and see what you did with my granny's house. But Denton you never made it. My prayers go out to the family and he will be missed deeply. REST IN PEACE MY FRIEND LOVE U ALWAYS.

“ *Jr./Monica/ & relatives:
Who would of thought "lucky's" time was so short. Khadijah just wanted to see her brother just one more time. But Our times are in God's hands; our souls are in His keeping. We must believe and confess that: "You are my God." My times are in Your hand. Psalm 31:14-15 Know that: There is a light at the end of the tunnel. And there is no hurt that heaven can not heal. Our Prayers are with you in your hours of bereavement and May God keep His Angels camped all around you, is our Prayer.*
