“ My Dash!! Thank you for all the memories I have of you and shared with you. Thank you for allowing me to be your Auntie Tammy in the good and bad times. Thank you for always being that bright light that would light up the room when you walked into it with your present. Thank you for allowing me to be a listening ear when you needed to talk or just needed ask a question. I will miss all the times when you would call me or walk through our door and say "Auntie what you cooking!" I'm going to miss your beautiful smile, and the way you would always make me laugh until my stomach hurt. But most of all I'm going to miss your big heart to enjoy life to the fullest! I love you and I'm so thankful I got a chance to tell you and show you while you were here. Until we meet again My Niece, My Monique, My Dash! Forever31!
