“ *Rest In Peace to my baby brother. He called me personally and told me of his diagnosis; he wanted me to hear it from him, and had expressed how much he appreciated and loved me, as his big brother. That meant a lot to me for him to take the time to do that. We talked on occasion since then, and I was able to encourage him and also share the Good News of Jesus Christ. I will forever thank him for allowing me to be there for him, even though I was many miles away. He will forever be my little brother, and I thank God for the few times we had to share by phone, since he was diagnosed. Rest in peace, Little bro! Love you forever! -Eric, aka "Maurice".*
