*I've known Dez since childhood. She taught me how to do long division in the 4th grade so that made her my friend for life. I hated when she moved and we lost contact, I looked for her for yrs before I felt that maybe she'd come looking for me. I didn't move from my childhood home until I was 20. Now knowing we won't run into each other on this side is sooo saddening. I LOVE YOU, DEZ!!! R.I. PARADISE*
