“ No words can describe the loss I feel for my uncle Diallo's passing. My heartfelt condolences to the entire family and all his many friends. Uncle, you are gone, but you will never be forgotten. I acknowledge you had to go because your body had served its purpose. Your soul has achieved what you came to do, learned what you came to learn, so you left a contented man. A million words cannot bring you back, I know because I have tried; neither can a million tears; I say this because I have cried. Love you Pamella

“ *Uncle Diallo...
I don't know how I'll get used to not having our talks about this and
that... you did the talking and I mostly listened but I looked forward
to those encounters every time.
You carried yourself like royalty... and expected nothing less from
everyone you allowed to be in your presence.
That eternal crown placed on your head.... I know you wear it well.*
