“ To the Golden Family,

I am profoundly saddened and send my sincere condolences. Hold tight to memories for comfort and lean on your friends for strength, and always remember how much you are cared about. As you comprehend this loss, let yourself cry knowing each tear is a note of love rising to the heavens. What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why she left this earth so soon, or why she left before we were ready to say good-bye, but little by little, we begin to remember not just that she died, but that she lived. And that her life gave us memories too beautiful to forget. Pam

“ *My heartfelt condolence and prayer to the Golden family. Diane will be forever missed and the world forever altered in her passing. Our times together as children, as well, adults were memorable. Thanks be to God for allowing my life to cross with Diane's and the Golden's as a whole. I'm the more blessed from it all! May our Lord and Savior continue with all of you (us) during the loss of a true "sister."*
