“ *Your mother was Quite a wonderful Lady! She was a great friend and a very hard worker with a very contagious laugh. We shared a great love for our grandchildren . Her girls were her pride and joy. She always had beautiful pictures hanging on her locker for us all to share. She will be greatly missed.*

“ *If tears could build a stairway and memories a lane
I would walk right up to heaven to bring you home again.
No farewell words were spoken no time to say goodbye
you were gone before I knew it and only God knows why.
My heart still aches in sadness and secret tears still flow
what it meant to lose you no one will ever know*
