“ *To the Story family,
While I do not know you or your family, we do share in common the sting of Death. I am so very sorry that you have to go through this very tough time. I would like to offer you some kind of comfort during this very tough time. Know that God hates death. He said at Isaiah 25:8 that he will swallow up death forever. What do we have to do for this to take place? When will this happen? Please refer to jw.org.*
