“ *My fondest memories of Nicky was when we danced alongside each other at Le Nicole de Dance instructed by her beautiful and talented mother Brenda Jones. She and I would work so hard to perfect our dance performances. She challenged me to be better, and I’ve carried that same spirit and drive throughout my entire life. She was a driving force and impressed upon others what it meant to believe in yourself. I’m fortunate and forever grateful to have known her and considered her my dear friend and sister in dance. May your spirit forever dance in our hearts. Love you Dominique!*
