“ *Miss me, but let me go
When I come to the end of the road
And the sun has set for me
I want no rites in a gloom filled room
Why cry for a soul set free
Miss me a little - but not too long
And not with your head bowed low
Remember the love that we once shared
Miss me - but let me go*

*For this is a journey that we must all take
And each must go alone
It's all a part of the Master's plan
A step on the road to home*

*When you are lonely, and sick of heart
Go to the friends we know
And bury your sorrows in doing good deeds
Miss me - but let me go*
