“ Lou Lou you know their are no words to explain our pain because you know our Love and Prayers are with you and your girls. As my children all eight of them has helped you with your girls how can me and your uncle forget how you helped us with our children all eight of them. What have we done without you. So many times you were there for us just like DonNesha helping us in any way you can. We see where DonNesha gets help caring personailty from. You are more than just a family member you were just like a daughter to us. Therefore DonNesha was just like a grand to us. Lou we are so sorry for your lost and more sorry we were not able to be there with you and the family during your time of grief. We do know DonNesha brought so much joy to our hearts. Lou and family we love you and our prayers are with you all and my God Bless the family. Please take care.

“ For those of you who knew Pooh-Pooh knew she was a Child of God from the day she was born. She was full of Wisdom at a young age. She cared for others always willing to help in any way she could. It was amazing to watch her daily activities. Unfortunately I did not see DonNeshia as much as I wanted to see her but when I did see her we pick up right where we left off. Always laughing and having a good time. Good conversation from this little girl. Most importantly she knew the Lord for herself. I had to opportunity to help Lou-Lou raise her other girls but you would thought I had been around DonNEshia her entire life. We instantly fell in love with each other. The same love with the entire Family. My heart goes out to you all my prayers are with you all. And I am so very Sorry for your lost. I am so impressed and thankful for all the love Flint has showed for my cousin. Like the family said people still care and DonNeshia willnot be in vain. We will miss her beautiful face and her joulful spirt. We will see her again. May the family be BLESSED.

“ To the family of Don'nesha,

Romans 8:28 tells us "And we know that all things work together for good to them that love God, to them who are the called according to his purpose." Often times we can't see why God allows certian things to happen to us and to our families but you all just keep loving God and things will work out for your good. You may ask, How is my daughter dying going to bring about any good, if you have faith in God you already know He is able to make the impossible posible. This may trigger a stop of violence in the City of Flint and spread abroad. Stay prayerful for yourselves and we at the House of Prayer Missionary Baptist Church will be praying for you all as well.

“ Don'nesha used to sing "This Little Light Of Mine I'm going to let it Shine" all in my school, my home, my church but on Thursday August 20 God told her "he needed her light to shine brighter but it could not shine from here she had to go home with him" so he called her home "Shine on Don'nesha Williams" "Shine on Auntie's Baby".

“ I cried when I heard of this terrible tragedy. Even though I dont know this baby or even her family I am a parent of a little girl and I was thinking that could have been my baby. So to the parents and family my deepest prayers and sorrow goes out to you all durning this time of mourning.

The Lord is my shepherd; I shall not want.

*He maketh me to lie down in green pastures:
he leadeth me beside the still waters.*

*He restoreth my soul: he leadeth me in the
paths of righteousness for his name's sake.*

*Yea, though I walk through the valley of the
shadow of death; I will fear no evil: for thou
art with me; thy rod and thy staff they
comfort me.*

*Thou preparast a table before me in the
presence of mine enemies: thou anointest
my head with oil; my cup runneth over.*

*Surely goodness and mercy shall follow me all
the days of my life; and I will dwell in the
house of the Lord for ever.*

*God is the shepherd of your life. Don't be afraid. Whatever path he
leads you down, He does it with knowledge and understanding that
we will never know. Trust and believe this.*

GOD BLESS.

“ *Don'neshia was so kind and thoughtful. Her smile lit up the classroom. What an honor and joy to have had her in class for several grades. She will always be in my heart and prayers. Love to the family. Ilya Brecque*

"O Lord of glory! I entreat Thee, fervently and tearfully to cast upon Thy handmaiden who hath ascended unto Thee the glances of the eye of Thy mercy. Robe her in the mantle of Thy grace, bright with the ornaments of the celestial Paradise, and, sheltering her beneath the tree of Oneness, illumine her face with the lights of Thy mercy and compassion.

Bestow upon Thy heavenly handmaiden, O God, the holy fragrances born of the spirit of Thy forgiveness. Cause her to dwell in a blissful abode, heal her griefs with the balm of Thy reunion, and, in accordance with Thy will, grant her admission to Thy holy Paradise. Let the angels of Thy loving-kindness descend successively upon her, and shelter her beneath Thy blessed Tree. Thou art, verily, the Ever-Forgiving, The Most Generous, the All Bountiful."
