“ To the Miller Family:

*I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away that precious gift of life that leads to death. Or due to old age and sickness we lose that precious quality of life that leads to death.*

*Many wonder why we grow old and die. Romans 5:12 answers that question. It say that because of Adam sinning his punishment was death and sin and death was passed on to us all. However, or loving God, Jehovah (1John 4:8) made a way out for us all by sacrificing his only son (John 3:16). God promised us that we will see our love ones again (1 John 5:28,29). For more information go to [www.jw.org](http://www.jw.org) and you can find answers to any question you may have.*

*Yours truly,  
Patricia*

“ I would like to take this time to express my sincere sympathy for the loss of Mr. Don Miller. When we experience the loss of a loved one our heavenly father Jehovah God and his word the bible can give us the comfort we need to make it through the days to come. The bible says Jehovah is the "Father of tender mercies and the God of comfort who comforts us in all our trials". 2 Corinthians 1:3&4 The bible also tells us that in the near future Jehovah God will bring an end to the suffering and death that our first parents Adam and Eve brought upon us. This is found at Isaiah 25:8, "he will swallow up death forever and the Sovereign Lord Jehovah will wipe the tears from all faces".

*I sincerely hope these words will comfort you and for more comforting thoughts from the bible please visit JW.ORG*
