“ *My beautiful loving cousin Donald
I was always overjoyed when I would see you
I couldn't wait to get my wet kiss on the forehead and you telling me
how much you loved me
I still remember when we were kids and you spent the night with us
and we talked all night long downstairs
It's so hard to know I'll never see you dance again or hear you sing
like you always did
I love you and you will truly be missed
Until we meet again*
