“ *A Message to Our Brother,
Throughout life's journey, you may have had a bumpy ride
Through valleys and mountains, through all the storms of life
But through it all, please know that you always had a special place
where there's shelter, comfort and everlasting peace.
You are now with other loved ones so you'll never be apart
And know that you will always live on and have a place within our
hearts.*

Love Your Brother and Sisters,

Ronald, Raynona and Derynda

“ To Ronald and Donald's children and extended family I would like to express my deepest sorrow.

I am sure no words can ease the pain of losing Donald. Take comfort in knowing God does not make mistakes and God is able to give you peace, through prayer, at this time.

Though our family relationships have not been as close as I would have liked, the connection to all of you is embedded in my heart forever.

I will keep Donald in my thoughts and pray for the family.

Love,

Derynda

“ *Ronald, I am so sorry to hear of the passing of Donald. As you know, we were good friends growing up at Antioch. I am sorry I was unable to be present at the service, but my heart was there. Stay strong and know that God is a good God. He will pull you through.*
