“ I can't remember the last time I saw Donnie but I will never forget the first time I meet him; he was so fun! Always kind, I really felt like the extra little sister. It was always: "hey Lauren" while he passed through the kitchen lol - his energy could light up the room! I would always tell B I loved how Donnie spoke: the cool, laid back but articulate way he said everything. My best memory "Lauren you can't put me in your lie and not tell me man, I can't cover for you" lmao. He was my +1 big brother. Stay strong family - I love you! Rest In Peace Donnie.
