“ My deepest sympathy to the family. Don was such a kind, caring and generous man. He was always smiling every time I saw him and he would wave and say hello. I just spoke to him at work a few days before he passed and he seemed so happy. Knowing he was looking forward to retirement, then he passes a few short days before he was to be finished with work...what a shame he was not able to enjoy his retirement after working so hard for all of these years. God bless him, he deserved so much more. Our hearts are breaking here at Flint Engine, we lost our dear brother. We will cherish our memories of Don and pray that his family is able to do so as well. Keeping the family in prayer.
