HY

It does not surprise me that Donald Younger was a church greeter at Faith Tabernacle Church. Most of his family knew him to be a very cordial and friendly person. He was our peacemaker, our family diplomat that kept everyone calm during stressful periods. He had the skills of keeping everyone focus on their common goods not their differences. When we restarted our family reunion celebration, a few years ago, we depended on him to bring all the related multiple families with different surnames peacefully together. He was there to make sure no family felt slighted. So it was fitting that the first family reunion be held at his home. He united the Younger's, Adams', Waller's, Partham's, Matthew's, Brandley's, Burks', Blacksure's and Calvin's in a very successful event.

Donald was not only a peacemaker but he lived an incredible life. He was a family man that raised three children, heartily and willingly volunteered to raises two grandchildren. He was a very good high jumper at Southwestern H.S.' track team, He loved outdoor camping, likes riding his motorcycle and once, him and his wife two-ride all the way to Virginia to visit relatives. But, One of his greatest love was bowling. He told me a while back that he had bowled two 300's, bowling perfect games.

Life situations can be similar to bowling. There are rare times when we are perfect, there are lot of times we may have three strike (a turkey) and many other times we may only have one strike. But for most of us, in life, we have too many spares and gutters. However, my cousin Donald Younger was a 300's, three times better than 100's.
