“ *To the Richardson family, I knew Dondric through my children Kiya and Travion Allen. They were both very close friends with him and, I grew to love and adopt him as my own. He was a very sweet and respectful young man, with a generous heart. I am going to miss asking about my "Diesel" when I come home to visit or seeing him. He left a big void in the hearts of those who knew him but, his spirit lives on is us all. I pray that you receive the peace and comfort you seek at this time of bereavement. May God keep watch over you and his baby girl. He's only gone in body but, his spirit lives on. May God bless you all...*

Diesel, I am going to miss you. You were one of my "other" sons, whom I loved and cared for just as my own. May your spirit continue to fly high and remain with those you've left behind so that they know you're still here with them. To the Richardson family, it's my prayer that, God give you the peace and comfort you seek and need at this time. God bless...
