“ I am so very sorry that you and your family had the misfortune to experience the bitter taste of our greatest enemy. Death seems so final. Especially when it seems so sudden. We are often left feeling that we did not get enough time with our loved one or friend. Seems like every time we turn around we hear about violence, death, pain and sickness. But there is hope. I say this because God is the Creator of life. In fact the bible calls Jehovah God the source of life. (Psalm36:9;Acts17:24-25) God has resurrected humans in the past. (John11:39-44). He is eager to do it again, he hates death and he views it as an enemy.(1Corinthians15:26). He yearns to bring back those who are in his memory and to see them live on earth again. (Job14:14-15). I hope this will bring you, your family and friends a measure of comfort.
