“ *Lady Elect Donna Washington is my Grandma.She would always me there for my family and especially me.She lover her family so much she would do anything.Even though she was struggling with her breathing,she would always try to make room for her family.She had a good husband and supportive family.I just can't believe what happened to my grandma.She passed on the day we came to visit.It was like a miracle because she passed after we came to speak to her while in a coma.I just love my grandma and I hope she's looking down on us and protecting us from all dangerous and harm.*

“ *My sincere condolences to the entire family. Lady Donna fought such an incredible fight for healing on this side of heaven. God has given her rest in His arms. She was such a wonderful and sweet woman. It was an honor that she considered me her sister in Christ and through it all she considered me her cousin in the family. Rest in sweet peace my sister.*
