“ I worked with Donnie at Flint PD for several years. He always handled situations professionally and courteously. He had a very pleasant disposition and was someone you could count on. I'm sure he'll be missed by his family. Hopefully, we can all honor Donnie by being a little more like him.

“ Uncle Donnie it is still so hard to believe that you are gone. Everything happened so fast and unexpectedly. You were the closest person I had as a father figure and I greatly appreciate everything you ever did for me. You were truly one of a kind. You would do anything for anyone and never complained while doing so. You helped me get my first car and my first real job. And when we were younger you would take Angel to get summer clothes you took me to. I will never forget you and your memory will forever live on. I find comfort and peace in knowing that you are free from pain and by living Christ like we will see you again one day. So I won't say goodbye I'll just say "see when I get there". I love you.
