“ To the Wilson Family Tinker, Renita, Aunt Nancy, Jeffrey and all of the nieces and nephews, aunts and uncles I give my condolences on the loss of your loved one. He will truly be missed. I grew up with you all a few streets over from Pierson rd and I still remember all of the good times we had growing up together. So now in this time of sorrow I pray that we all can focus on all of the wonderful things that Donnie has done in his life. I know that he talked to or texted his brother and sister everyday no matter what. He said that will never change and that it was a love thang he had with his siblings. Jeffrey he loved him beyond measure because he could always depend on him to get him to his doctors appts and come and scoop him up and take him to his place for the weekend for BBQs and spend time with the great nephews, and those were times that he cherished. He would call me when he was there and boy you guys would be having a great time. He also enjoyed cooking for his nephews would come and visit even if he still had to pull a shift working. Donnie was special. So cherish the memories I know I will. He is with the Lord now Amen. Love to you all Karla Pegues

“ *Donnie was the Love of my life we had just reconnected a few years ago and things were going good this is still too much for me to accept right now. I Love him so much and even now when the phone rings at night I expect it to be him. I still pick up the phone at night and begin to dial his number and then it hits me hard. My granddaughter asks me why don't you talk to Donnie anymore the man who said he was going to be your husband and the tears start to flow all over again. Love you Donnie until we meet again in Heaven!!!!*

“ I had the pleasure of working with Mr. Wilson while he was a para-pro at Dowdall Elementary last year. He had a heart for children and a strong work ethic. He would often seek out students with the greatest need to brighten their day. He was a kind soul and will be missed.
