“ So many memories, so many. We all are going to miss those birthday calls. She never skipped a year to the young to the old.

Well I received my finally bday call from her on Thursday, October 24th this year.

She had cousin Buck to video call me. She sang one happy bday verse and then said I am out of breathe but wanted to call you. Now that's love.

She will always be one of my favorite Aunties.
