Doe was like a big sister to me, Doe and my sister Berta (roberta-shortie) took me everywhere with them when I was little and as we grew older the fun never stopped. Parkland school , Rollets and skateland just to name a few . I will always miss those Doe D Doe parties, singing , laughter and that smile. Doe went home her style - I know she have gotten her wings and singing like a true angel. Sing on!!!!

“ *To the Cobb Family,*

Doreen was truly one of a kind. I loved her as a person and she was truly one of a kind. I remember all the fun times we had together at pajama parties, and Stepping Stones and playing sports.. She was a part of the Cook School and Longfellow Gang, and later a true Viking!! I remember her and NaeNae singing in the Cook School talent show! I can't ever remember her without a big smile and something funny to say. We will miss her, but we will take comfort in knowing she is at peace and in the presence of the Lord. God Bless your family.

“ In the 11th grade, at the time, my parents didnt have money to buy me a Homecoming dress. I'm from a family of 7, so a silly high school dance wasn't much of a priority. But of course, as a young popular girl, that news was devastating. Earth-shattering. I thought my world was going to end. My aunt Doreen came to pick me up, let me raid her closet full of stylish dresses, did my make-up, borrowed her shoes and perfume. Not only did I go to my dance, but I was voted Homecoming Queen. Even though that was years ago, it still means the world to me. You'll never know a small act of kindness can make a lasting memory. I love her for that. Thank you Aunt Do. R.I.P

“ *In memory of my Sister:
We were so close to age and close growing up. I never had to worry about people, places and things because Doreen would always protect me from all danger and harm. She was one of a kind and she love life and what it had to offer. I'm happy for my sister because she do not have to suffer and stay stuck to a bed any longer. She loved to live and travel, sing and she loved God. I'm just glade that I was able to tell her for the very last time that I loved her and she told me that she loved me too! So that is what I'm going to hold on to until we meet again.*
