“ *Dorine was a special cousin to me. I looked forward to her trips to Louisiana. She was my mom's only niece but more like a daughter. I will always remember her fussing about not wearing a hat to church. It was just too hot in the south during the summer months. I will always love you, Joe, and the children. Heaven has gained one of the most faithful Christians I know. We are missing you!*

Hilda Harris - January 18, 2020 at 06:00 PM

*My condolences and prayers to the Booker family*
