“ *To the Fields-Carroll:*

I was sorry to hear about your loved one. Death is liken to a thief that comes and takes away our loved ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

Many wonder why we grow old and die. Romans 5:12 answers that question . Its says that because of Adam sinning his punishment was death and sin and death was passed on to all of us. However, our loving God, Jehovah (1John 4:8) made a way out for all of us by sacrificing his only son (John 3:16). god promised us that we will see our loved ones again (1John 5:28,29). For more information go to www.jw.org and you can find answers to any question you may have.

*Yours truly,
Patricia*

“ Sorry to hear about the loss of your love one. The pain , the grief, and the feelings of helplessness can seem unbearable, but we need to go to God's Word the Bible for comfort. At Rev 21:4 God says, " And he will wipe out every tear from their eyes and death will be no more , neither will mourning nor outcry nor pain be anymore. The former things have passed away.
