Mother Doris Ann (Walker) Richardson, was born March 31, 1946 in Tulsa, OK, the daughter of Rev. James E. Walker Sr. and Mother Iola (Norman) Walker. She, along with her parents, moved to Flint, MI in 1950 when she was just 3 years old. Mother Richardson started teaching Sunday school at the age of 12 and was first saved at the age of 13. She attended Flint Community Schools and Mott Community College, where she studied Marketing. It was there that she met her soul-mate Elder Noah Richardson Sr. They were married April 19, 1969 and to this great union nine children were born. She played the piano with the Walker Band and traveled across the South where they played in the National Convocation. Mother Richardson served faithfully at Faith Gospel Temple under the leadership of Supt. James E. Walker Jr until the Lord called her home. She was the first teacher of the "Class Number 5"

Sunday school students. She loved the young people. She served as Hospitality President for many years where she affectionately received the title of "Mother Love". She was appointed Church Missionary and served faithfully until she received the elevation to Church Mother in 1995. Mother Richardson was appointed State YWCC President for Northeast Michigan Jurisdiction in 1998 where she served until her death. In 2006, Mother Richardson was elevated to the position of District Missionary of Bethlehem where she worked tirelessly with Supt. Paul E. Hester. Mother Richardson experienced a series of massive strokes in 2009 that left her slightly paralyzed on her left side. During this time Mother Richardson continued to serve the Lord. She continued to quote Isaiah 26:3 "Thou wilt keep him in perfect peace, whose mind is stayed on thee". Mother Richardson never let her inability to move around freely hinder her praise to God. She was often heard singing "My whole body belongs to God".

“ *I think about you often. I cry even more than that. These are not tears of remorse and they are only of sadness because I miss your presence. You showed me how to be an awesome wife, mother and woman of God so I have no choice but to get to right. As much as I know that you are better off I still miss the doughnut runs, the spur of the moment trips to Bob Evans, the long Dort Hwy drives to Birch Run and the many times that we just met up as a family to enjoy each other's company. We sent you off the way you send a saint home and we honored your wishes as best we thought how. I love you Mama and it seems as if I miss you more and more each day. I strive to see you again one day.*
