“ *Sorry to hear about the loss of your loved one. Death is an enemy that we can never get use to. In my times of sorry I have found comfort in John 5:28,29 which says that one day we will see our loved ones again.*

“ *In sympathy and prayer, may God bless you and keep you in His loving arms and surround you with family and friends. May He help you to remember that night turns to day and even the saddest heart mends. Thinking of all of you.*
