“ May the Lord be with you in your time of sorrow. May He shower you with His loving comfort. And may the Lord fill the void in your hearts with loving thoughts of Mother. You are in our prayers.

“ The call was made to come home after a job well done. Your skills are needed here in heaven, for the task is far greater than that on earth. I have a request to make of you. To head the kitchen in heaven for none other will do. The Saints are tiring of milk and honey and this will never do. So come and bring your recipe books. Teach the angels to cook just right and never over done.
