“ I remember playing bingo for the first time, was with Grandma. That lady was something serious. She played my cards and hers. I til this day don't know how she did it and how I missed so many numbers. She looked at me and said you coulda bingo'd a long time ago 😂... In my mind Grandma is up there grabbing her bingo daubers and playing bingo. She's going fishing 🎣 and making people laugh. That's how I remember my Grandma fishing, bingo, and jokes. I'll continue to miss her and I know anyone that knew her feels the same. Fly high Grandma Dorothy and save a spot for me at the bingo table.
